- Closure

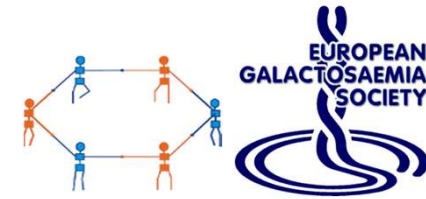

# GalNet Panel

Q&A

Patient, Parent and Professionals  
questions

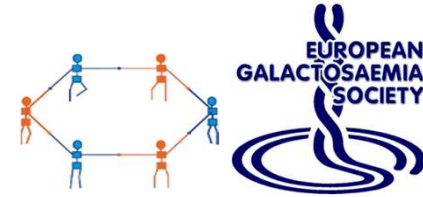

# Closure of the EGS-GalNet Webinar

- EGS - GalNet cooperation proves to be very valuable for patients and professionals
- Please join local patient organizations, if there is no patient organization yet in your country, please reach out!
- International guidelines are available online, please discuss with your doctors and/or dieticians if you have any questions

# Closure of the EGS-GalNet Webinar

- Thanks for your time and attention
- We really missed the audience, interaction and social networking
- Webinar enabled us to reach more people across the world
- Great opportunity to show the power of cooperation between Patients, Parents & Professionals
- Big thanks to all the speakers from GalNet
- To be continued!
- Next year? Hybrid?
